We, the men and women of the Enlisted National Guard Association of Alabama are respectfully asking for your support in sponsoring one of our categories of partnership. We can not achieve our goals without your financial contributions, and we are eager to include you in every aspect of our vision to move our organization forward. Please allow us to sincerely thank you for your consideration in advance.

What is ENGAA?

What would my sponsorship in ENGAA require of my company?

Where would our money be spent?

The Enlisted National Guard Association of Alabama (ENGAA) is a state level affiliate of the Enlisted Association of the National Guard of the United States (EANGUS). Our mission is to monitor matters of policy and law at the State and Federal level as it pertains to National Guard Forces and our contributions to National Security. We send legislative teams to D.C. every year to negotiate the National Defense Authorization Act which provides the budget for annual military training and operations across the service branches and their reserve components. We also conference a few times a year at the state and national level in an effort to synchronize our goals and initiatives that keep us at the forefront of military readiness. As you well know, the National Guard is no longer a strategic reserve force. We represent more than 60% of our Country's combat power on foreign lands and have been engaged in war nonstop since 2002 in addition to covering down on our state side obligations to civil unrest and natural disasters. We truly are committed to being "Always Ready, Always There!"

Please review our partnership categories below, and feel free to contact us at 205-936-3081 or e-mail chad.carroll11@gmail.com if you have questions or comments about sponsorship, or if we can provide additional information concerning our Association. ENGAA is a 501(c)(19) non-profit organization, and a business contribution tax form can be provided by request. We look forward to working with you and your team to enhance our tactical and strategic plans for success moving forward. Thank you so much for your interest in partnering with us!

Very Respectfully,

Jeremy Thompson
Immediate Past President,
ENGAA
