Is a medical exam required? If you complete our Simplified Issue enrollment form and you and your spouse (if applicable) are able to answer no to the hospitalization and medical questions and your height and weight are within underwriting guidelines then that application could be all that is needed.

Are there any exclusions to my coverage? There are no exclusions for war, aviation, hazardous duty or civilian occupation restrictions, however, benefits will not be paid if the member's or dependent's health is misrepresented within 2 years from the date life insurance for you or your dependent takes effect.

Are there any reductions to my coverage? Yes. Member's Supplemental life Benefit reduces to 50% at Age 60, 25% at Age 70, and 12.5% at Age 75. Spouse's Dependent life benefit matches Member's reduction schedule but is based on Spouse's attained age.

When do benefits terminate? The Member's $1,000 Basic Life non-contributory benefit ends when you are no longer an active member of the National Guard. The Supplemental Life contributory coverage ends the date the group policy ends, the day you cease to be eligible for coverage, or the first day you do not make any required premium payment. In addition, Dependent Life coverage ends the date the dependent no longer meets the definition of dependent, the date the dependent becomes a member of any military branch or the date the dependent becomes insured as a member under the group policy.

Are there any additional plan benefits? Yes. **Grief Counseling**[1] provides you and your dependents up to five private counseling sessions with a professional grief counselor – per event – to help cope with a loss, no matter what the circumstances, whether it's a death, an illness or divorce. Sessions may also be held over the phone. **Funeral Planning Assistance**[1]**:** services designed to simplify the funeral planning process for your loved ones and beneficiaries to assist them with organizing an event that will honor a loved one's life from a self-paced funeral planning guide to services such as locating funeral homes, florists and local support groups. **Will Preparation Services**[2] offers you and your spouse unlimited face-to-face or telephone meetings with an attorney from MetLife Legal Plans' network of over 18,500 participating attorneys, to prepare or update a will, living will and Power of Attorney. **Estate Resolution Services**[2] estate representatives and beneficiaries may receive unlimited face-to-face legal assistance with probating your and your spouse's estate. Beneficiaries can also consult an attorney, from MetLife Legal Plans' network of over 18,500 participating attorneys, for general questions about the probate process. **Conversion Privilege:** if life insurance ceases because of termination of membership in the classes eligible for insurance, coverage may be converted to individual coverage.

Rates may be changed on the entire group plan or on a class basis and on any premium due date on which benefits are changed. A class is a group of people defined in the group policy. Benefits are subject to change upon agreement between Metropolitan Life Insurance Company and the participating organization. Rates are as of 4/1/2025.

The association incurs costs in connection with providing oversight and administrative support for this sponsored plan. To provide and maintain this valuable membership benefit, MetLife may compensate the association for these and/or other costs.

All applications for coverage are subject to review and approval by MetLife. If you choose to apply for increased coverage, the increase may be subject to underwriting. MetLife will review your information and evaluate your request for coverage based upon your answers to the health questions, MetLife's underwriting rules and other information you authorize us to review. In certain cases, MetLife may request additional information to evaluate your request for coverage. Coverage will be effective in accordance with the applicable policy and certificate after approval by MetLife.

Nothing in these materials is intended to be advice for a particular situation or individual. Please consult with your own advisors for such advice. Like most group insurance policies, insurance policies offered by MetLife contain certain exclusions, exceptions, reductions, limitations, waiting periods and terms for keeping them in force. Please contact your plan administrator National Guard Association of the Alabama Insurance Trust at 800-321-6078 for costs and complete details.

1. Grief Counseling and Funeral Assistance services are provided through an agreement with TELUS Health. TELUS Health is not an affiliate of MetLife, and the services TELUS Health provides are separate and apart from the insurance provided by MetLife. TELUS Health has a nationwide network of over 30,000 counselors. Counselors have master's or doctoral degrees and are licensed professionals. The Grief Counseling program does not provide support for issues such as: domestic issues, parenting issues, or marital/relationship issues (other than a finalized divorce). For such issues, members should inquire with their human resources department about available company resources. This program is available to insureds, their dependents and beneficiaries who have received a serious medical diagnosis or suffered a loss. Events that may result in a loss are not covered under this program unless and until such loss has occurred. Services are not available in all jurisdictions and are subject to regulatory approval. Not available on all policy forms.
2. Will preparation and MetLife Estate Resolution Services are offered by MetLife Legal Plans, Inc., Cleveland, Ohio. In certain states, legal services benefits are provided through insurance coverage underwritten by Metropolitan General Insurance Company, Warwick, Rhode Island. For New York situsd or principally located cases, the Will Preparation service is an expanded offering that includes office consultations and telephone advice for certain other legal matters beyond Will Preparation. Tax planning and preparation of living trusts are not covered by the will preparation service. Certain services are not covered by Estate Resolution Services, including matters in which there is a conflict of interest between the executor and any beneficiary or heir and the estate; any disputes with the group policyholder, MetLife and/or any of its affiliates; any disputes involving statutory benefits; will contests or litigation outside probate court; appeals; court costs, filing fees, recording fees, transcripts, witness fees, expenses to a third party, judgments or fines; and frivolous or unethical matters.
