Effective CY: 2026

Dear Valued Corporate Partner,

On behalf of the Soldiers, Airmen and Family members of the Alabama National Guard, I respectfully invite you to partner with the Enlisted National Guard Association of Alabama (ENGAA). Your financial partnership and support will enable us to more proactively provide needed services and resources to eligible men and women that serve in the Alabama National Guard, as well as their Family members.

Through these partnerships, your organization will be highlighted and promoted as our choice partner within your industry. We take pride in sending referrals directly to you for services that you provide.

ENGAA is the state affiliate of the Enlisted Association of the National Guard of the United States (EANGUS). Our mission is to advocate for policies, legislation and benefits at the State and Federal level that support National Guard members and enhance our nation's defense. Each year we engage with lawmakers in Washington, D.C., during the development of the National Defense Authorization Act and participate in state and national conferences that advance military leadership, Soldier and Airman readiness, and advocacy for the entire military Family.

Sponsorship support also enables us to send Alabama enlisted service members to these conferences and development events, ensuring that military benefits are secured and protected for many years to come.

The National Guard is an operational and strategic force, providing military services and technical skills at a fraction of the cost compared to our active-duty colleagues. Our members serve continuously overseas and locally, while also responding to natural disasters and emergencies at home—truly living the motto *"Always Ready, Always There."*

Please review and consider our partnership categories and join us in strengthening the future of the Alabama National Guard community. ENGAA is a 501(c)(19) nonprofit organization, and documentation for business tax contributions can be provided upon request.

If you have any questions, please contact me at 205-790-4199 or via email at [president@engaa.org](mailto:president@engaa.org). I look forward to working with you as a corporate partner, and I am eager to refer Soldiers and Airmen to your office. Thank you for your support of the Alabama National Guard and to our members of the Enlisted National Guard Association of Alabama.

Johnathan Wilson

President,

Enlisted National Guard Association of Alabama
